Chipboard	3.5-10%	1st April 2021
MDF	6%	1st April 2021
Plywood	10%	1st April 2021
OSB	10%	1st April 2021

Please note, the above increases do not apply to all products within the categories and only highlight the most relevant price increases.

Why we're raising our prices. Unfortunately, this price increase is reflective of the sharp increase in growing global demand for many timber items including plywood, chipboard, MDF as well as carcassing. As a result of this increase in demand, the raw materials used to produce many of these items (for example resin and pulp) is in short supply which means availability has been greatly reduced across the world.

To keep up to date with any other price increases and product availability, please visit our dedicated supplier updates page here: www.jewson.co.uk/supplier-updates

If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch.

We look forward to working with you in 2021.

Yours Sincerely,
Jewson
